2. **REVIEW AND DISCUSSION OF JUNE 21 TOWN HALL II MEETING DRAFT SUMMARY REPORT**
Staff has prepared a report summarizing the outcomes of the June 21 Town Hall meeting at Bonita Vista High School (under separate cover). This includes the results of the "dot" exercise on the draft Goals, and reactions to the land use and transportation concepts via the Community Feedback Forms. Staff will review the highlights of the report, and discuss how the inputs will be used in the formulation of preliminary land use & transportation alternatives to be discussed in community workshops.
3. **REVIEW AND DISCUSSION OF NEAR-TERM GPU WORK PROGRAM**
There have been some changes in staffing that the team would like to review with the Committee. It is proposed that RBF play an increased role, and staff will provide an overview of the proposed work program.
